

## 2nd Annual "Dill" Pickleball Tournament

Kerry Park Recreation Centre is excited to bring back the "Dill" Pickleball tournament with a Hawaiian Luau theme. The object of this doubles tournament is to promote Pickleball at all levels and to showcase this wonderful sport.

**Date:** Saturday, June 1, 2019

**Time:** 9:00 a.m. - 4:00 p.m.

**Cost:** \$35 per player includes lunch, a beverage, and a t-shirt.

**Register:** At Kerry Park Recreation Centre or call 250.743.5922

**Code:** 9269 (Maximum of 24 participants)

How the tournament works;

- When you register you must leave your rating and t-shirt size.
- The day of the tournament, men's and women's names will be drawn consecutively from a hat. The partner you are drawn with will be your floating partner for the event.
- Players will be put in rated sections, so the games should be competitively fun as you will be playing players of a similar standard.
- Games are played to 25 pts first with your floating partner, and then the men change sides and you play to another 25 pts (this time with your new partner).
- Scoring is electric, i.e. (every point counts, whether you are serving or not.)
- Once you have played 50 pts, you go on to your next scheduled game, starting off with your floating partner and changing partners after the first 25 pts, and so the games continue!
- Everyone carries their own individual score. Prizes will go to the top men and top women with the highest scores.
